

# Dell™ Vostro™ V13

## REMARKABLY THIN, STUNNINGLY CAPABLE

Introducing Vostro's new ultra-light and ultra-thin ULV laptop, Vostro V13 offers premium design features, lightweight mobility and essential productivity at an affordable price for small business.

## THIN, LIGHT & ROAD-READY DESIGN

Tailored for discriminating small-business travelers, the Vostro V13 combines robust design, ultra-mobility and everyday productivity at a price that aims to keep you on budget.

- **Slim & Striking:** Sized as thin as 0.65 inches (16.5mm) and at 3.5 pounds (1.59kg), the Vostro V13 delivers a full-sized laptop experience that won't weigh you down.\*
- **Robust Design for Outstanding Durability:** Why settle for plastic? The V13's brushed-aluminum casing and reinforced zinc hinges offer durability that's hard to find in similarly priced ultra-compact business laptops.
- **Power to Do More:** Ultra-low-voltage Intel® processors help to manage energy efficiency while providing ample power for everyday computing.
- **Enjoy a Full Laptop Experience:** The full-sized keyboard and generous 13.3" WLED display let you work through emails and business proposals without sacrificing comfort or visibility.

## PRODUCTIVITY-EMPOWERING ESSENTIALS

It may lighten your carrying case, but the Vostro V13 has the productivity-empowering features to keep you working at full capacity.

- **Stay in Touch:** With the integrated webcam and microphone, you can use your favorite communication software to make Internet calls, conduct video conferences and remotely exchange files.
- **Always Be Connected:**\* Go wireless with a full range of connectivity options: 802.11g/n wireless LAN, Bluetooth, and WWAN mobile broadband.
- **Memory to Spare:** Run Windows® 7 effortlessly while performing everyday tasks even faster with support for up to 4GB\* of DDR3 SDRAM memory\*.
- **Protect Your Work:** Keep your data under lock and key with optional FDE (full-data-encrypted) hard drives.

## SUPPORT THAT STANDS BEHIND YOU

When your business demands time, your technology shouldn't. The Vostro V13 offers a suite of customizable service and support solutions designed specifically for small business.

- **Set & Forget™ Online Data Protection:** Easy and automated Dell DataSafe™ online backup protects your business-critical data.
- **Coverage Now and Later:** Extend your basic limited hardware warranty\* from 1-3 years to stay covered into the future.
- **Remote On-Call Support:** Get help when you need it with DellConnect™\*, which allows tech-support agents to troubleshoot and help repair system issues remotely.
- **ProSupport to Simplify IT:** Choose your own level of 24x7 IT supports with optional Dell ProSupport™ services.
