

The power to do more

Dell™ Vostro™ 3450 & 3550

Introducing the new durable & portable Vostro 3450 and 3550

Designed to help you stay connected and in control, with style and confidence

Power up your business

Your business needs power. It needs speed and performance. Vostro 3450/3550 is your full-featured, business solution—an uncompromising mix of power and portability.

- Experience smooth multitasking and lightning-fast performance with DDR3 memory and take your business to the next level by pairing Intel® 2nd-generation Core™ processors with an upgrade to Windows® 7 Professional operating system.
- Boost your graphics performance and optimize your battery life with AMD Switchable Graphics technology. Your laptop automatically switches to the Intel integrated HD graphics—helping deliver more performance on a single battery charge.
- Sometimes your business can't wait, so why should you? Two USB 3.0 ports enable data transfers at up to 10x the speed of USB 2.0. Your Vostro laptop also includes Bluetooth® 3.0, which transfers at up to 24 Mbps, allowing you to move large files in seconds.

Work virtually anywhere, anytime

Connecting and collaborating on-the-go has never been easier. Vostro 3450/3550 delivers a suite of hardware and software, tailored to meet your small business needs.

- Bring the boardroom to you with an HD webcam, digital array microphones to reduce background noise, preinstalled Skype and SRS Premium Voice Pro software for crystal clear collaboration solution.
- Connect from virtually anywhere¹ with optional 3G mobile broadband or 4G supported by WiMAX(U.S. Only).
- Work anytime you please—day or night—with an optional backlit keyboard, all while enjoying extended battery life (up to 12 hours)² with an optional 9-cell battery.

Your complete IT solution

Let our world-class support stand behind your business. With Vostro's launch manager, the touch of a button brings our support center to you. Here are a few other ways we keep your business running:

- Let us be your business' IT department. With optional Dell ProSupport³ services, you get the attention you need 24x7, on the phone, online or onsite.
- Help secure your data with a fingerprint reader, Trend Micro virus protection and optional Absolute Lojack to track your laptop if it's stolen. Your data is safe with Vostro.
- Your Vostro's spill-resistant keyboard can guard against minor liquid spills, while Dell's Accidental Damage Protection Service⁴ can keep you up and running.

Vostro 3450 | 3550

Collaboration is Power.

Features	Specifications
Processor Options	New 2011 Intel® Core™ i3, i5 , i7 Dual Core Processors
Chipset	Intel® Mobile HM67 Express Chipset

Regulatory and Environmental Compliance	ENERGY STAR® (select configurations only) EPEAT Silver settings (select configurations only) Carbon Off-set (Plant a Tree)(optional) Asset Recovery Service(System Recycle)

Important Information:

¹ Wireless Connectivity: Subject to wireless provider's broadband subscription and coverage area; additional charges apply.

²Based on testing using the Mobile Mark 2007 battery life benchmark test. For more information about this benchmark test, visit www.bapco.com. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

³Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicesdescriptions.

⁴ Service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customer may be required to return unit to Dell. For complete details, visit www.dell.com/servicecontracts.

⁵ Notebooks weights: Weights vary with configuration and manufacturing variability.

⁶ Note books with 4GB or greater system memory capability: A 64-bit operating system is required to support 4GB or more of system memory.

⁷Graphics & System Memory: Significant system memory may be used to support graphics, depending on system memory size and other factors.

⁸ AC Adapter: 90 Watt AC Adapter is required for discrete graphic system on Vostro™ 3350, 3450, 3550 and 3750.

⁹Hard Drives (GB and TB): GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
