

The power to do more

Dell™ Vostro™ 3750

Serious Power for your Serious Business. The new Vostro 3750 packs the power of a desktop workstation - backed by world-class support.

Power up your business

Your business needs power. It needs speed and performance. Vostro 3750 is your full-featured, business solution—an uncompromising mix of power and portability.

- Experience smooth multitasking and lightning-fast performance with DDR3 memory and take your business to the next level by upgrading to Intel® 2nd-Generation Core™ i7 Quad Core processor.
- Boost your graphics performance and optimize your battery life with NVIDIA® Optimus technology. Your laptop automatically switches to the Intel integrated HD graphics—helping deliver more performance on a single battery charge.
- Sometimes your business can't wait, so why should you? Two USB 3.0 ports enable data transfers at up to 10x the speed of USB 2.0. Your Vostro laptop also includes Bluetooth® 3.0, which transfers at up to 24 Mbps, allowing you to move large files in seconds.

Productivity anywhere, anytime

Collaborating has never been easier. Vostro 3750 delivers a suite of hardware and software, tailored to meet your small business needs.

- Connect with clients and co-workers with a full HD (1080p) webcam, digital array microphones to reduce background noise, and preinstalled Skype and SRS Premium Voice Pro software for a crystal clear collaboration solution.
- Stay productive all day, with Vostro's standard finger-friendly chiclet keyboard and numeric keypad. And now, work anytime you please—day or night—with an optional backlit keyboard.
- Save time by using Vostro's customizable dashboard button to instantly launch your favorite or most used application. And charge up your mobile device with USB PowerShare even when system is off.

Your complete IT solution

Let our world-class support stand behind your business. With Vostro's launch manager, the touch of a button brings our support center to you. Here are a few other ways we keep your business running:

- Let us be your business' IT department. With optional Dell ProSupport¹ services, you get the attention you need 24x7, on the phone, online or onsite.
- Help secure your data with a fingerprint reader, Trend Micro virus protection and optional Absolute Lojack to track your laptop if it's stolen. Your data is safe with Vostro.
- Your Vostro's spill-resistant keyboard can guard against minor liquid spills, while Dell's Accidental Damage Protection Service² can keep you up and running.

Important Information:

¹ Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicesdescriptions.

²Service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customer may be required to return unit to Dell. For complete details, visit www.dell.com/servicecontracts.

³ Notebooks weights: Weights vary with configuration and manufacturing variability.

⁴ Note books with 4GB or greater system memory capability: A 64-bit operating system is required to support 4GB or more of system memory.

⁵ Graphics & System Memory: Significant system memory may be used to support graphics, depending on system memory size and other factors.

⁶ AC Adapter: 90 Watt AC Adapter is required for discrete graphic system on Vostro™ 3350, 3450, 3550 and 3750. 130 Watt AC Adapter is required for Quad core processor system on Vostro™ 3750.

⁷Hard Drives (GB and TB): GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
